

A close-up, artistic photograph of a bicycle's rear wheel and drivetrain. The image shows the spokes of the wheel, the rear derailleur, and the cassette. The lighting is dramatic, with strong highlights and deep shadows, creating a sense of depth and texture. The background is blurred, focusing attention on the mechanical components.

TERMS OF TRADING

Right to refuse to supply: Hykeham Wholesale Ltd. retain the right to supply or refuse to supply any person, persons or company with goods.

Retention of title: All goods remain the property of Hykeham Wholesale Ltd until payment has been received by the company in full. We also reserve the right to take back the goods in question should the aforementioned terms not be adhered to or if you cease to trade.

Payment terms: Settlement discount is 10% if the order is over £150 Net. Discount can only be taken if paid within 21 days after the invoice date. If discount is taken after this time then the dealer will be re-invoiced for the balance. The agreed credit terms are 30 days

Late Payment: The late payment of commercial debts regulations 2002, comes into affect on all outstanding invoices 45 days after invoice date.

Prices: Prices are subject to change without prior notification. Prices listed in the catalogue are exclusive of VAT.

Deliveries: All orders delivered by carrier will be delivered free of charge if the Net value exceeds £100. If this is not exceeded then a surcharge of £9.00 + VAT will be incurred. Deliveries to addresses within the British Isles but not UK mainland will be surcharged. Call our sales team for a quote.

Damages: It is the dealers responsibility to check that the number of parcels is correct and that they are in satisfactory condition before signing the consignment note. Any problems must be noted on the consignment note. Once the consignment note is signed, goods are accepted as received in good condition and Hykeham Wholesale Ltd cannot accept any claims. To sign the note 'unchecked' is not recognised by the carriers, their insurers or ourselves

Claims for transit damage or short deliveries must be notified within 6 working days of receiving the goods, responsibility will not be accepted for claims of non delivered or damaged goods after this time.

Returns: Credits will not be given until the goods have been examined and a fault identified by the store manager. There will be a 20% handling charge for any goods returned to Hykeham Wholesale Ltd that are not faulty or that have been sent out correctly. Any goods that are returned to Hykeham Wholesale Ltd without the relevant invoice number will also be charged 20%. Credits will only be given on goods returned within one year of purchase.

Charges: Customers will be charged £15 + VAT for any unpaid cheques for each and every occurrence.

Consequential loss: Hykeham Wholesale Ltd does not take any responsibility for losses or damage which may occur due to the none performance of any of the goods supplied.

Terms: These terms of trading supersede all purchase orders and their terms and conditions

By receiving this catalogue and ordering you are agreeing to abide by the terms of trading unless we receive written notification stating otherwise.

- These will fit 26" wheeled bikes running tyres from 1.50 - 2.35
- 40mm Presta valve

TME211

206EDCV185

IMPAC 24 X 1.75 / 2.10 SCHRADER INNER TUBE

- Suitable For Junior MTB Bikes With A Car Type Valve
- These will fit 24" wheeled bikes running tyres from 1.50 - 2.35
- Standard 35mm Schrader long valve

TME215

206XDHWD185

IMPAC 20 X 1.75 / 2.10 SCHRADER INNER TUBE

- A Car Type Valve
- These will fit 20" wheeled bikes running tyres from 1.50 - 2.35
- Standard 35mm Schrader long valve

TME220

196YHMF176

IMPAC 20 X 1.75 / 2.10 PRESTA VALVE INNER TUBE

- Suitable For Junior MTB, BMX, Or Shopper Bikes
- IMPAC bicycle inner tube
- These will fit 20" wheeled bikes running tyres from 1.50 - 2.35
- Standard 40mm Presta long valve

TME222

179RBUMH161

18 X 1.75 SCHRADER BICYCLE INNER TUBE

- Comes With A Standard Car Type Valve
- These will fit 18" wheeled bikes running tyres from 1.75 - 2.25
- Standard 35mm Schrader long valve

TME228

170XVWER153

IMPAC 16 X 1.75 / 2.10 SCHRADER INNER TUBE

- Standard Car Type Valve
- These will fit 16" wheeled bikes running tyres from 1.75 - 2.25
- Standard 35mm Schrader long valve

TME230

181RBUMH163

IMPAC 12 1/2 X 2 1/4 SCHRADER INNER TUBE

- With A Standard Car Type Valve
- These will fit 12" wheeled bikes / prams running tyres from 1.75 - 2 1/4
- Standard 35mm Schrader long valve

TME240

191XVWER172

IMPAC 27 X 1 1/4 (700 X 25/32) PRESTA TUBE (25)

- This Slim Inner Tube from Impac is manufactured by Schwalbe under the Impac brand name.
- It is an excellent performer and is perfect for keeping the weight down

TME190/25

5150XVWER4635

IMPAC 700 X 32 – 45C PRESTA VALVE INNER TUBE (25)

- A Impac bicycle tube is predominantly made of Butyl rubber.
- Butyl is a very elastic and airtight synthetic rubber.

TME191/25

5150EDCV4635

IMPAC 700 X 18 – 23C PRESTA INNER TUBE (25)

- Suitable For Narrow Racing Bike Wheels
- Comes With Standard 45mm Length Valve
- An Impac bicycle tube is predominantly made of Butyl rubber.

TME194/25

5150XDHWD4635

IMPAC 700 X 25 – 32C SCHRADER INNER TUBE (25)

- Suitable For Hybrid Bikes
- IMPAC bicycle inner tube Schrader
- These will fit 28"/700c wheeled bikes running tyres from 28 – 32c. Standard 40mm Schrader long valve

TME197/25

4893YHMF4404

IMPAC 700 X 32 – 45C SCHRADER VALVE INNER TUBE 25

- IMPAC bicycle inner tube Schrader
- These will fit 28"/700c wheeled bikes running tyres from 28c–45c. Standard 40mm Schrader long valve

TME198/25

5150RBUMH4635

IMPAC 26 X 1 3/8 SCHRADER BICYCLE INNER TUBE (25)

RUBENA 26 X 2.35 R28 DONKEY CARGO BIKE TYRE

- Four-ply construction
- Special material compound for moped tyres, speed and durability even under high loads
- Load 130kg
- 1mm Puncture Protection

TMI432

2318RBUMH2086

RUBENA 26 X 2.10 V85 OCELOT BLACK MTB TYRE

- Ocelot has a medium coarse tread pattern
- It is a popular choice for those who enjoy riding on a medium-hard terrain with hard ground.

TMI434

669RBUMH602

RUBENA 26" x 2" V76 CHARYBDIS BLACK MTB TYRE

- The predecessor of Charybdis TD has an even more aggressive tread pattern and guarantees very good traction and self-cleaning. We recommend it mainly for heavy and muddy terrain.

TMI438

617RBUMH555

MITAS 26 X 2.00 V36 RAPID BLACK MTB TYRE

- Rapid Casing Is A Good Choice For Mountain Bikes And Suitable For Riding On Less Demanding Terrain.

TMI439

617POLK555

RUBENA 26 X 1.90 V45 WINNER SEMI SLICK MTB TYRE

- Winner is a versatile tyre excelling in sports-style riding on unpaved and gravel roads.

TMI442

617YEDRU555

RUBENA 26 X 1.90 V83 BLADE BLACK MTB TYRE

- The tread pattern of Blade is designed for 26" wheels.
- Riding on a poor surface and moderate terrain will never be a problem.

TMI443

617RGFD555

RUBENA 26 X 1.75 V71 SEPIA BLACK TYRE

- Tread pattern designed for lower quality and unpaved surfaces. The almost smooth central part of the tread ensures less rolling resistance when riding on the road.

TMI445

669RGFD602

MITAS 26 X 1.75 X 2 V66 FLASH CITY TREK BLACK TYRE

- Flash is the ideal choice to beat city traffic.
- The tread structure provides low rolling resistance and good adhesion on both dry and wet surfaces.

TMI446

566YEDRU509

MITAS 26 X 1.75 V81 SHIELD BLACK MTB TYRE

- The Shield casing is designed for poorer quality and unpaved surfaces, but the smooth centreline of the tread provides lower rolling resistance even when riding on the road.

TMI447

566RGFD509

RUBENA 26 X 1.50 V81 SHIELD BLACK MTB TYRE

- The Shield casing is designed for poorer quality and unpaved surfaces.
- The smooth centreline of the tread provides lower rolling resistance even when riding on the road.

TMI450

514YEDRU463

KENDA 26" X 1" K196 KONTENDER GREY WHEELCHAIR TYRE

- Designed for the active, fast moving athlete with a smooth center tread for faster speed and water siping grooves for wet conditions.
- Iron Cap (90% more puncture protection)

TWC003

1185RGFD1067

TYRES - 27 INCH

MITAS 27 X 1 1/4 V69 HOOK BLACK TYRE

- The universal tread pattern of the Hook tire is designed for riding on poor and unpaved surfaces.
- The almost smooth central part ensures less rolling resistance when riding on the road.

TMI426

617RGFD555

TYRES - 27.5 INCH

RUBENA 27.5 X 2.10 V85 OCELOT STOP THORN ADVANCED E BIKE READY PUNCTURE PROTECTED TYRE

For our latest products and offers visit
www.hykehamwholesale.co.uk

The screenshot shows the Hykeham Wholesale website interface. At the top, there's a header with contact information: a phone icon, the number 01522 801550, an email icon, and the address sales@hykehamwholesale.co.uk. On the right, there are links for 'About Us' and 'Contact Us'. Below the header is a navigation bar with the Hykeham Wholesale logo on the left, a 'Product Search' bar in the center, and user account icons on the right labeled 'paul fravigar' and '£0.00'. A secondary navigation bar lists categories: Brands, Tyres, Wheels, Tubes, and Drivetrain. Below this, a status bar shows 'Monday - Friday | 9:00am - 5:00pm', 'Order before 12pm for same day dispatch', and '£ 10% Settlement Discount For Trade Accounts'. The main content area features a large green banner with the text 'NO GIMMICKS JUST LOW PRICES' and 'CLICK HERE TO VIEW TRADE PRICES'. Below the banner, it says 'SERVING THE TRADE FOR OVER 50 YEARS'. To the left of the banner is a 'CATEGORIES' sidebar with a list of product types including New In, Axles/Parts And Hubs, Bags, Baskets and Carriers, Ball Races/Bearings, Bells and Horns, BMX Parts, Bottles and Cages, B/B Axles/Units/Parts, Brakes, Brands, Cables and Wires, Cassettes, Chains/Chain Links, Child Seats, Chainwheels and Cranks, Derailleurs Front and Rear, and Drivetrain. At the bottom of the banner area, there's a 'NEW ORDER NOW FEATURED PRODUCT' section for 'STOP THORN - Tyre protection technology in the form of a strip of rubber under the tyre tread around its entire circumference.'
